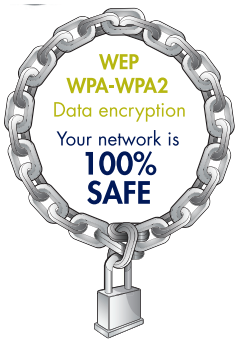
| Product dimensions | : | 185(W) x 20(H) x 90 mm (D) |
| Gift box weight | : | 1466 gr. |
| Gift box dimensions | : | 310 (W) x 210 (H) x 100 mm (D) |



Simply connect this ADSL 2+ Modem Router to your ADSL line, and right away you'll have a base station for an entire wireless home network, as well as being able to take maximum advantage of the benefits of broadband Internet via ADSL. The Modem Router has a built-in ADSL 2+ modem, so you'll already be fully prepared for the newest developments in the world of Internet. The Router function enables all the users in your network to access the Internet through 1 subscription. You needn't be worried about the communication speed across your wireless network; the Modem Router works according to the 802.11g standard, and guarantees you an actual throughput rate of a staggering 23 Mbps.

**Now includes a Wireless Network USB Adapter 54g**, so you can link your laptop or desktop PC straight into your wireless network.
